

The filing and service of any pleadings under this rule may be made by facsimile transmission. The filing of a petition shall not stay the effect of the Judge's order unless the Commission so directs; a motion for such a stay will be granted only under extraordinary circumstances. Any response shall be filed within 5 days following service of a petition. The Commission's ruling on a petition shall be made on the basis of the petition and any response (any further briefs will be entertained only at the express direction of the Commission), and shall be rendered within 10 days following receipt of any response or the expiration of the period for filing such response. In extraordinary circumstances, the Commission's time for decision may be extended.

ADDRESSES: Mail or hand-carry written comments (three copies) to the Department of the Interior; Minerals Management Service; 381 Elden Street; Mail Stop 4024; Herndon, Virginia 20170-4817; Attention: Rules Processing Team.

FOR FURTHER INFORMATION CONTACT: Kumkum Ray, Engineering and Operations Division, at (703) 787-1600.

SUPPLEMENTARY INFORMATION: MMS was asked to extend the deadline for submitting comments on the proposed Postlease Operations Safety rule published on February 13, 1998 (63 FR 7335) and the correction to the proposed rule published on March 9, 1998 (63 FR 11385). The request explains that the proposed rule has a number of important changes that require careful consideration for comprehensive comments. Because the proposed rule was rewritten in "plain English" and sections, paragraphs, and sentences do not have the same order and numbering sequence as the current regulations in 30 CFR part 250, subpart A, additional time was requested to sort out the proposed rule for comparison.

Dated: May 1, 1998.
